**Notice**  
**on Request for a Lao Police Clearance**

The Embassy of the Lao PDR in Canberra regrets to inform that the Embassy is not in a position to issue a Police Clearance Certificate for a foreigner who had resided or worked in the Lao PDR. A request for a Lao Police Clearance should practically be referred to Vientiane Municipal/Provincial court through certification by local administrative Authority where the person used to reside or work before his/her resettlement in Australia or New Zealand.

We hope this information would be of your interest.
